

695GC & 695F4 - Utility Chain Saw

GAME CHANGER.

Over 20 years of ICS product innovation and experience culminating in the latest addition to our gas saw family. Everything that makes chain saws the preferable method in cutting concrete, stone, and masonry wrapped in a hungry, power filled package called the 695GC and the 695F4. All the great features from past ICS chain saws plus a few new innovations to make your day go a little easier. Deep, straight cuts and square corners with ease of use and dependable performance to match. If cutting concrete, stone, masonry or ductile iron pipe is your game – the ICS 695GC and 695F4 are your GAME CHANGER.

IF THIS IS YOUR GAME: CONCRETE CUTTING

THIS IS YOUR
**GAME
CHANGER**
