**FLOOR GRINDING /
POLISHING
PRODUCT
CATALOGUE 2020**

4 / GRINDING MACHINES

Quality floor grinding machines at amazing prices.

9 / SCARIFIERS

Remove concrete and coatings faster and more effectively with our scarifying machines.

11 / HANDHELD GRINDERS / POLISHERS

We have a HUGE range of angle grinders, handheld grinders and polishers to suit all needs! See our best sellers here...

13 / WERKMASTER

SmartDiamond Tools is the Australian distributor of WerkMaster's award winning products, systems and solutions for concrete, stone & terrazzo refinishing. Check them out here!

15 / GRINDING SHROUDS

Biggest range of 5" and 7" dust shrouds for your angle grinder.

17 / ADAPTOR PLATES

Save time and money with our universal slide-on system on your machine.

18 / GRINDING SHOES

Join the rest of Australia in saving money on your grinding consumables.

21 / CUP WHEELS

Check out one of the largest ranges of cup wheels available down under.

28 / GRINDING PLATES / WEDGE BLOCKS

Kit out your old school machines with our top quality diamonds.

29 / CORNER GRINDING / POLISHING

Q: What do I do with these rotten corners?

A: Read page 29 of this catalogue.

31 / GRINDING PLUGS

Plug your Terrco or Floorex with the best range you will find in Oz.

32 / POLISHING MACHINES

Polivac polishing machines to make that final finish pop.

21 / CUP WHEELS

Check out one of the largest ranges of cup wheels available down under.

34 / MULTIPLATE

Convert your Polivac floor polisher to a multi-purpose concrete preparation machine.

36 / POLISHING PUCKS / FLOOR PADS

Use Smart's tried and tested pucks to bring the gloss to the next level. Finish your floor the right way with our range of 17" and 20" pads.

ABOUT Smart Diamond Tools

Smart Diamond Tools is a leading manufacturer and supplier of high quality diamond tools and machinery. Australian owned and family run, we established in Melbourne in 1989 and have been supplying the concreting and construction industries throughout Australia for 30 years. Visit us in store or call now on 1300 763 328 for Australia wide delivery.

Free shipping for orders over \$400 (*excludes machinery, liquids & adaptor plates)

WANT RELIABILITY? POWER? EUROPEAN QUALITY? THE BEST WARRANTY & AFTER SALES SERVICE?

- ✓ High torque gear-driven planetary system
- ✓ 5 year replacement warranty on gearbox (*conditions apply)
- ✓ 2 year bumper to bumper warranty
- ✓ Top quality Siemens motor and Schneider inverter (520mm uses Taiwan Teco inverter)
- ✓ Highest quality Japanese bearings and oil seals
- ✓ Eton brand switches
- ✓ LED headlight and USB charging port as standard
- ✓ 20% more efficient than popular belt-driven grinders

Built tough for the Australian market!

GRINDING MACHINES

Redback 450mm - \$7,995.00
3-head planetary floor grinder

Features top quality Siemens motor, Schneider inverter, highest quality Japanese bearings and oil seals, Eton brand switches, LED headlights and USB charging port. 5 year replacement warranty on gearbox (conditions apply) and 2 year bumper to bumper warranty.

Motor:	4HP
Voltage:	Single phase 240V
Work Area:	450mm
Grinding Pressure:	110kg
Speed:	0-1200rpm
Weight:	168kg
Dimensions:	862x460x950mm

Redback 520mm - \$10,495.00
3-head planetary floor grinder

Features top quality Siemens motor, Taiwan Teco inverter, highest quality Japanese bearings and oil seals, Eton brand switches, LED headlight and USB charging port. 5 year replacement warranty on gearbox (conditions apply) and 2 year bumper to bumper warranty.

Motor:	5HP
Voltage:	3-phase 415V
Work Area:	520mm
Grinding Pressure:	130kg
Speed:	0-1200rpm
Water Tank:	20L
Weight:	220kg
Dimensions:	1060x520x1200mm

GRINDING MACHINES

All also available in
SELF-PROPELLED
and REMOTE
CONTROL versions

**Redback 650mm -
\$14,995.00**
3-head planetary floor grinder

**Redback 760mm -
\$18,990.00**
3-head planetary floor grinder

**Redback 760mm -
\$19,995.00**
4-head planetary floor grinder

All feature top quality Siemens motor, Schneider inverter, highest quality Japanese bearings and oil seals, Eton brand switches, LED headlight and USB charging port. 5 year replacement warranty on gearbox (conditions apply) and 2 year bumper to bumper warranty.

Motor:	10HP
Voltage:	3-phase 415v
Work Area:	650mm
Grinding Pressure:	206kg
Speed:	0-1200rpm
Water Tank:	25L
Weight:	350kg
Dimensions:	1170x650x1200mm

Motor:	15HP
Voltage:	3-phase 415v
Work Area:	760mm
Grinding Pressure:	300kg
Speed:	0-1200rpm
Water Tank:	30L
Weight:	450kg
Dimensions:	1360x760x1300mm

Motor:	15HP
Voltage:	3-phase 415v
Work Area:	760mm
Grinding Pressure:	300kg
Speed:	0-1200rpm
Water Tank:	30L
Weight:	500kg
Dimensions:	1360x760x1300mm

GRINDING MACHINES

Redback 1520mm - \$149,000
8-head ride-on floor grinder

The largest gear-driven ride-on floor grinding machine available, with a 1520mm work area. Easy to operate and incredibly effective at completing large areas in a short time. Features integrated dust extraction system and additional weight to adjust head pressure.

Motor:	2 x 15HP
Voltage:	3-phase 415v
Speed:	0-1200rpm
Vacuums:	2 x 10HP attached
Weight:	1800kg
Dimensions:	1520x1930mm

Redback Edge Grinder - \$7,995
300mm edge grinder

Precision designed edge grinding machine with the body and grinding head adjustable to 45 degrees. Features a unique electrical lifting system for rear wheels, dust collection port, adjustable handle and guiding device.

Motor:	4HP (3KW)
Voltage:	Single phase 220v
Speed:	0-1200rpm
Weight:	120kg
Dimensions:	1175x485x900mm

GRINDING MACHINES

The best value small grinder on the market!!

A250B - \$1,890.00
10" (250mm) floor grinder

Compact 250mm floor grinder for wet and dry applications. Easy to transport with its compact size and foldable handle. Head can be turned 80 degrees left or right, enabling easy grinding close to walls. Features a detachable dust shroud, vacuum port and water port.

Motor:	3HP (2.2KW)
Speed:	1410rpm
Weight:	67kg
Dimensions:	825x432x860mm

A340 - \$1,990.00
340mm floor grinder

Compact and robust single head floor grinder, ideal for small to medium grinding jobs. 340mm wide grinding head. Features a pre-installed adaptor plate to enable use of AuSKut's slide-on diamonds.

Motor:	3HP (2.2KW)
Speed:	650rpm
Weight:	100kg
Dimensions:	900x400x1000mm

SCARIFIERS

SCR200P - \$1,995.00
8" petrol scarifier

Honda petrol walk-behind scarifying machine ideal for coating removal, creating non-slip surfaces, floor preparation and road maintenance. For use with our M200 drum.

Motor:	Honda GX160 5.5HP
Working Width:	200mm
Working Depth:	3-5mm
Weight:	61kg
Dimensions:	1650x480x950mm

SCR200H4 - \$2,690.00
8" heavy duty petrol scarifier

Honda petrol walk-behind scarifying machine ideal for coating removal, creating non-slip surfaces, floor preparation and road maintenance. Includes 4-shaft heavy duty drum (M200HD).

Motor:	Honda GX160 5.5HP
Working Width:	200mm
Working Depth:	3-5mm
Weight:	105kg
Dimensions:	820x490x810mm

SCR250H9 - \$4,899.00
10" petrol scarifier

Honda petrol walk-behind scarifying machine ideal for coating removal, creating non-slip surfaces, floor preparation and road maintenance. Includes extra heavy duty drum (M250).

Motor:	Honda GX270 9HP
Working Width:	250mm
Working Depth:	5-10mm
Weight:	132kg
Dimensions:	910x470x880mm

SCARIFIERS

Optional edger assembly available

SCR200E - \$2,195.00
8" electric scarifier

Versatile electric scarifying machine ideal for sidewalk repair, coating and line removal, floor preparation and creating non-slip surfaces. For use with our M200 drum.

Motor:	240V 2.2KW
Working Width:	200mm
Working Depth:	2-3mm
Weight:	60kg
Dimensions:	820x490x810mm

M200 - \$449.00
8" carbide flail cutters cage assembly including drum, 76 x 6mm TCT cutters and 104 x washers. Replacement cutters available (sold separately).

M200HD4 - \$633.00
8" carbide flail cutters cage assembly including drum and 60 x TCT cutters. Replacement cutters available (sold separately).

M250 - \$1,249.00
10" carbide flail cutters cage assembly including drum and 90 x TCT cutters. Replacement cutters available (sold separately).

HAND-HELD GRINDERS/ POLISHERS

Smart Diamond Tools stocks an extensive range of quality angle grinders to suit all needs from the brands pictured below.

Call us on 1300 637 347 or check out the website for our current range.

A sample of our best sellers...

Metabo W24-230MVT - \$289.00

230mm angle grinder

9" (230mm) grinder with Marathon motor and patented dust protection for long service life. Features deadman switch, tool-free adjustable guard, anti-vibration handle and rotating rear handle. Pictured with our 7ShroudH (sold separately).

Metabo WEV15-125INOX - \$383.00

125mm angle grinder

5" (125mm) robust, powerful grinder with high gear reduction and adjustable reduced speed for cool finish. Features Marathon motor, VTC full-wave electronics, M-quick tool-free disc change and S-automatic safety clutch. Pictured with Metabo GED125 shroud & D-handle (sold separately).

Metabo WEA17-125- \$392.00

125mm angle grinder

The power of a larger grinder and compactness of a small one for quickest material removal. Features Marathon motor, TC full-wave electronics, M-quick tool-free disc change and S-automatic safety clutch. Pictured with Metabo GED125 shroud and D-handle (sold separately).

Motor:	2400W
No-Load Speed:	6600rpm
Disc Diameter:	230mm
Weight:	5.8kg

Motor:	1550W
No-Load Speed:	2000-7600rpm
Disc Diameter:	125mm
Weight:	2.5kg

Motor:	1700W
No-Load Speed:	11000rpm
Disc Diameter:	125mm
Weight:	2.5kg

HAND-HELD GRINDERS/ POLISHERS

EP7FB - \$695.00
7" (180mm) wet/dry polisher

Suitable for wet or dry polishing of concrete and stone. Features variable speed, soft start and overload protection.

Motor:	2200W
No-Load Speed:	1000-2400rpm
Disc Diameter:	180mm
Weight:	6kg

AG125 - \$695.00
5" (125mm) concrete grinder

Features variable speed, load indicator, adjustable ergonomic handle, tool-free sliding cover for edge grinding and dust control skirt.

Motor:	2200W
No-Load Speed:	4300-7200rpm
Disc Diameter:	125mm
Weight:	4.7kg

WETPOL5-900 - \$495.00
5" (125mm) wet polisher

Suitable for wet polishing of concrete and stone. Features double transmission and variable speed.

Motor:	800W
No-Load Speed:	700-3000rpm
Disc Diameter:	125mm
Weight:	4.5kg

SMART DIAMOND
TOOLS PTY LTD

WERKMASTER™
Ultra Floor Systems

WerkMaster Scarab - \$2,990
Handheld grinding/polishing machine

The ideal handheld machine for countertops, floors, stairs and ledges. Gets within 3mm of the wall! The 5 counter-rotating heads add stability and produce a superior finish. Features quick change tooling, dust control and optional water feature. Polisher and tooling sold separately.

Footprint:	310x200x180mm
Disc Size:	76mm
Weight:	20kg (w/o polisher)
Vacuum Req:	100 CFM

WerkMaster Edge - \$8,995
Edge grinder/polisher

A compact and powerful compliment to any large floor machine. Excellent for concrete edging, grinding, polishing and surface prep with 350mm work area. Gets within 3mm of the wall! Disassembles for easy transport. Features quick change tooling and dustless grinding when attached to appropriate dust extraction. Tooling sold separately.

Motor:	3HP 240V
No-load Speed:	400-1000rpm
Disc Size:	127mm
Weight:	93.4kg
Vacuum Req:	200 CFM

MOHS HARDNESS TESTKIT - \$159.00

Determine the overall hardness or softness of your concrete or stone surface. Testing will save money, reduce diamond wear and decrease time spent. Provides a general guide only. Each kit comes with a storage case and range of picks.

WERKMASTER™
Ultra Floor Systems

WERKMASTER SCARAB TOOLING

For use with the WerkMaster Scarab. Full range of 3" (76mm) diamond abrasive tooling, resins and buffing pads. Everything you need to remove coatings, grind, polish and refinish concrete, terrazzo and stone.

5" Shrouds

5SHROUD - \$95.00

Suits 125mm grinder with a 50mm clamp. Hard plastic with bristle edge. Clip-off front for edge grinding. 38mm OD vacuum port.

5SHROUDC - \$75.00

Suits 125mm grinder with an adjustable clamp to fit 42-55mm. Clear hard plastic with bristle edge. Clip-off front for edge grinding. 35mm OD vacuum port.

5SHROUDG - \$62.00

Suits 125mm grinder. Hard plastic with bristle edge. Swing front for edge grinding. 32mm OD vacuum port.

5SHROUDM - \$49.00

Suits 125mm grinder with multiple clamp sizes available (39mm, 42mm, 46mm, 49mm). Steel with velcro/vinyl skirt. Not suitable for edge grinding. 33mm OD vacuum port.

DWE46150 - \$125.00

DeWalt brand - suits 115mm and 125mm grinders with keyless clamp. Hard plastic with bristle edge. Swing front for edge grinding. AirLock vacuum port.

7" Shrouds

7SHROUD - \$99.00

Suits 180mm grinder and available in 2 clamp sizes (65mm, 75mm). Hard plastic with bristle edge. Clip-off front for edge grinding. 38mm OD vacuum port.

7SHROUDG - \$75.00

Suits 180mm grinder. Hard plastic with bristle edge. Swing front for edge grinding. 35mm ID vacuum port.

7SHROUDH - \$219.00

Suits 180mm grinder with an adjustable clamp to suit 65-75mm. Alloy. Lift-up door for edge grinding. 40mm OD vacuum port.

7SHROUDM - \$65.00

Suits 180mm grinder with multiple clamp sizes available (65mm, 75mm). Steel with velcro/vinyl skirt. Not suitable for edge grinding. 38mm OD vacuum port.

7SHROUDR - \$119.00

Suits 180mm grinder with rubber spacers to suit popular brands i.e. DeWalt, Makita, Milwaukee, Metabo & Bosch. Hard rubber with steel wear strip. Flip-up door for edge grinding. 58mm ID vacuum port.

7SHROUDTYRO - \$275.00

Suits 180mm grinder. Composite body with rubber diaphragm. Flip-up front for edge grinding. 35mm ID / 51mm OD vacuum port.

7SHROUDHOLM - \$385.00

Holer brand - suits 180mm grinder. Alloy construction. Flip-up front for edge grinding. 35mm ID / 51mm OD vacuum port.

DWE46170 - \$219.00

DeWalt brand - suits 180mm grinders with keyless clamp. Rubber with steel wear strip. Flip-up front for edge grinding. AirLock vacuum port.

ADAPTOR PLATES

Replace your current grinding machine base plate with Smart's adaptor plate to enable use of Smart's "Redi-Lock" style grinding shoes*. **SAVE TIME & MONEY** with our universal slide-on system!

*Adaptation of your machine is not guaranteed. Extra modification may be required.

CONBLAST6 - \$69.00

6" (160mm) adaptor plate to suit Blastrac 435.

CONLAV9 - \$89.00

9" (225mm) adaptor plate to suit Lavina 20.

CONH10 - \$105.00

10" (250mm) universal adaptor plate to suit CUB Grinder, Crete Mower or Schwaborn DSM250.

CONTPG10 - \$105.00

10" (250mm) adaptor plate to suit Meteor 250.

CONH12 - \$129.00

12" (300mm) universal adaptor plate to suit Dimas machines.

CONTPG7 - \$85.00

7" (180mm) adaptor plate to suit Satellite SP Active Planetary.

CONHTC270 - \$149.00

270mm adaptor plate to suit HTC 800.

CONSCHPLATE 7, 8 & 9 - \$95

7", 8" & 9" adaptor plates to suit Schwaborn DSM450, DSM530, DSM530S, DSM650 and DSM650S.

CONHTC6 - \$53.00

6" (160mm) adaptor plate to suit HTC 420.

CONSMALLH - \$8.00

55x40mm small adaptors that can be fitted to most existing steel base plates.

CONHTC9 - \$85.00

9" (230mm) adaptor plate to suit HTC 650.

JSADAPT - \$20.00

Adaptor plate to suit Jian Song (Topstone) grinders.

CONKLIN8 & 9 - \$119.00 & \$129.00

8" and 9" (230mm) adaptor plates to suit most Klindex machines.

VELCROHS - \$18.00

3" (80mm) velcro slide-on plates to easily change over from diamonds to pucks or ceramics.

SAVE TIME & MONEY!!!

GRINDING SHOES

SAVE TIME & MONEY with Smart's universal slide-on system! Check out our range of adaptor plates to use these diamonds on your machine.

Best value grinding diamonds in Australia!!

CUP WHEELS

NOODLE CUP WHEEL - \$159

7" (180mm) cup wheel with 8 rhomboid diamond segments + 24 "noodle" diamond segments in very soft bond for QUICK removal of coatings.

RAPTOR CUP WHEELS

Special "raptor" segment cup wheels have 30 grit 5mm high diamond segments for aggressive concrete grinding and coating removal. Especially suited to removal of pressure sensitive glues.

5" (125mm)	10 x raptor segments-\$79.00	RAP5
7" (180mm)	12 x raptor segments-\$119.00	RAP7

STEPPED SEGMENT CUP WHEELS

Stepped segment grinding cup wheels have 25 grit 10mm high diamond segments for VERY aggressive concrete grinding and FAST removal of coatings

5" (125mm)	6 segments XHF - \$55	TCW56Step
7" (180mm)	8 segments extra soft bond-\$85	TCW78Step XHF
	8 segments very hard bond-\$85	TCW78Step VSF

CURVED SEGMENT CUP WHEELS

Our professional range of 25 grit curved diamond segment cup wheels for aggressive concrete grinding and coating removal.

5" (125mm)	6 x 8mm segments extra soft bond - \$52	TCW56P
7" (180mm)	3 x 12mm segments - \$65	TCW73P
	6 x 12mm segments extra soft bond - \$89	TCW76P XHF
	6 x 12mm segments soft bond - \$89	TCW76P HF
	6 x 12mm segments very hard bond - \$89	TCW76P VSF

BEST SELLER!

TURBO cup wheels

3" (65mm) CUP WHEELS

Trade quality 5mm high diamond segment cup wheels for aggressive to fine concrete grinding. The small size makes for easier grinding in corners and hard to reach places. Only available in soft bond for hard floors. M14 thread for use on 4.5" and 5" angle grinders.

	Use:	Code:
30/40 Grit	General purpose - \$45	TCW330
60 Grit	Fine - \$45	TCW360
120 Grit	Very fine - \$45	TCW3120

4" (100mm) CUP WHEELS

Trade quality 5mm high diamond segment cup wheels for aggressive to fine concrete grinding. Available in various grits, medium bond only.

	Use:	Code:
30/40 Grit	General purpose DIY - \$7	TCW49ECO
	General purpose BUDGET - \$9	TCWX
	9 segment aggressive - \$36	TCW49T

CORNER & EDGE GRINDING

Do you find it hard to grind or polish CORNERS, STAIRS, EDGES, CURVES?? Difficult to BEVEL sharp edges?? Smart Diamond Tools has your solution!

DIAMOND CORNER GRINDER - \$75.00

For use with die grinders (8mm round shank), Smart's diamond corner grinder makes corners a breeze! Available in 30, 60 and 120 grits.

METAL BOND TRIANGLE PADS - \$29.00

Triangle shaped diamond grinding pads. Suitable for use on the Metabo Cordless Multi-Tool. Ideal for corners and hard to reach places. Available in 30, 60 and 120 grits.

TRIANGLE POLISHING PADS - \$13.00

Flexible triangle shaped polishing pads with velcro backing. Suitable for use on the Metabo Cordless Multi-Tool. Ideal for corners and hard to reach places. Available in 50, 100, 200, 400, 800, 1500 and 3000 grits.

EDGEMAXX CERAMIC CUP WHEELS - \$119.00

5" ceramic edging cup wheels for blending edge work or reducing scratches from metal bond grinding. Suitable for dry grinding. M14 thread for use on angle grinders. Available in 30, 50, 100 and 200 grits.

DIAMOND ROUTER BITS - \$95.00

Diamond router bits for shaping edges. M14 thread for use on 5" variable speed grinders. Available in 10mm radius or 45 degree angle, both in 30/40 and 120 grits.

metabo

**METABO DIE GRINDER
GE950G PLUS -
\$610.00**

Light and versatile hand-held variable speed die grinder with spindle lock. Features Metabo's S-automatic safety shutdown, restart protection and removable protective rubber cap. Ideal for use with Smart's diamond corner grinder.

Motor:	950W
No-load speed:	2500-8700rpm
Collar dia:	43mm
Weight:	1.7kg

**METABO CORDLESS MULTI-
TOOL MT18LTX - \$237.00**

Metabo's oscillating cordless multi-tool is suitable for cutting, grinding and polishing. Features VTC electronics to maintain constant speed even under load, quick tool change system and double LED lights. Ideal for use with Smart's corner grinding and polishing pads.

Battery:	18V Li-ion
No-load speed:	7000-18000rpm
Oscillation L/R:	1.6 degrees
Weight:	1.8kg

	5 segment general purpose HF MF SF VSF - \$75	PDA5-30

PCD PLUG - \$129.00

50mm plug with 3 x PCD segments for VERY aggressive coatings removal. For use on Floorex and Terrco grinding machines.

POLISHING MACHINES

**AMAZING
VALUE!!!**

A168P - \$1,490.00
17" (430mm) polishing machine

Low speed, weighted polisher with simple manual control and water feed for polishing or cleaning floors. Features removable water tank. Includes weights, a hard and a soft scrubbing brush, velcro drive board, and a spiked drive board for use with fibre pads.

Voltage:	240V
Motor:	1500W
Speed:	168rpm
Weight:	90kg

A1500B - \$950.00
20" (510mm) burnishing machine

High speed industrial floor polisher with simple manual control for burnishing floors. Ideal for use with 20" floor buffing / burnishing pads and twister pads.

Voltage:	220-240V
Motor:	1800W
Speed:	1500rpm
Weight:	43kg

POLISHING MACHINES

Polivac SV25 - \$2,450.00
400mm rotary suction sander

The most efficient and reliable floor sander in its price range, the Sandivac can also be used for scrubbing and stripping applications. Powered by a heavy duty 4 pole electric motor. Features inbuilt vacuum with large capacity collection bag, dust skirt, 15m lead and fully adjustable handle.

Polivac GAZ20 - \$5,842
20" high speed gas burnisher

A compact, high speed machine delivering long life and reliability. Fitted with the new Closed Loop Engine Emission technology, it automatically ensures that CO emissions are minimised and maintained at safe levels. Features belt-driven drive, inbuilt vacuum and electric start. 9kg gas bottle not included.

Polivac SL2000 Stingray - \$2,615.00
500mm ultra high speed polisher

When you want fast-set, full gloss floors, you can rely on the legendary long life and reliability of this ultra high speed straight-line suction floor burnisher. The Stingray is ideal for large operations and features a belt-driven drive, inbuilt vacuum, 15m lead and fully adjustable handle.

Motor:	1.1kw (1.48hp)
Vacuum:	300W
Speed:	187rpm
Weight:	53kg

Motor:	9.69kw (13hp)
Speed:	2500rpm
Battery:	12V 20Ah
Noise:	89DB
Weight:	95kg

Motor:	1.6kw (2.1hp)
Speed:	1500rpm
Pad Pressure:	10kg
Weight:	46kg

MULTIPLATE

- \$499.00

✓ CONVERTS ALL OLD & NEW POLIVAC FLOOR POLISHERS TO A MULTI-PURPOSE CONCRETE PREPARATION MACHINE

- ✓ *Removes plaster, paint, tile adhesive, etc*
- ✓ *Prepares concrete floors for floor coatings and adhesives*
- ✓ *Grinds concrete*
- ✓ *Polishes concrete*

Burnishes concrete

Sands a variety of floor surfaces

Pack includes multiplate, 4 x TCW5MP cup wheels, 4 x BP5 polishing pad holders & 4 holding blocks for slide-on diamonds (diamonds pictured not included)

VELCRO BACKING PADS

For use with our polishing pads. M14 thread. Available in various sizes in plastic/foam or aluminium.

3" (80mm)	Aluminium - \$22	BP3A
4" (100mm)	Plastic/foam - \$13	BP4
	Aluminium - \$24	BP4A
5" (125mm)	Plastic/foam - \$19	BP5
	Aluminium - \$45	BP5A
7" (180mm)	Plastic/foam - \$23	BP7
	Aluminium - \$49	BP7A

POLISHING PADS

Diamond impregnated flexible resin pads with velcro backing, suitable for wet or dry polishing of concrete. Thicker pads give longer life. Available in various sizes in the following grits: 50, 100, 200, 400, 800, 1500 and 3000.

3" (80mm)	3mm high - \$8.50	FC33
4" (100mm)	3mm high - \$13	FC43
5" (125mm)	3mm high - \$17	FC53
	5mm high - \$23	FC55
7" (180mm)	3mm high - \$38	FC73
	5mm high - \$42	FC75
9" (230mm)	10mm high WET ONLY - \$65	FC910W

HEXAGONAL POLISHING PADS

Pure resin, thin flexible pads with velcro backing, suitable for polishing concrete. Gives a high quality finish. Available in two sizes in the following grits: 30, 50, 100, 200, 400, 800, 1500 and 3000.

4" (100mm)	2mm high - \$9	HFC4
5" (125mm)	2.1mm high - \$17	HFC5P

PUCKS/FLOOR PADS

RESIN POLISHING PUCKS - D\$16.95, W\$13

3" (80mm) x 12mm solid resin diamond polishing pads with velcro backing. Use on heavy floor grinders with our velcro slide-on base plates. Available in wet or dry in the following grits: 30, 50, 100, 200, 400, 800, 1500 and 3000.

CHEMICAL BOND POLISHING PUCKS - \$29.50

3" (80mm) x 10mm chemical bond diamond polishing pads with velcro backing. Use on heavy floor grinders with our velcro slide-on base plates. Ideal for removing scratches after metal bond grinding. Available in the following grits: 50, 10, 200, 400, 800, 1500 and 3000.

CERAMIC GRINDING PUCKS - \$32.00

3" (80mm) ceramic grinding discs with velcro backing. Use on heavy floor grinders with our velcro slide-on base plates. Ideal for transitioning between metal bond and resin bond diamonds. Dry grind only. Available in the following grits: 30, 50, 100, 200, 400 and 800.

FLOOR BUFFING / BURNISHING PADS

Floor buffing/burnishing pads specifically designed for concrete. For use on high speed floor polishers and burnishing machines. Available in two sizes and various coarseness levels.

17" (430mm)	Hard stripping - \$14.95	FPBLACK
	Spray buff & polish - \$14.95	FPRED
	Soft polish - \$14.95	FPWHITE
20" (510mm)	Hard stripping - \$17.50	FP20BLACK
	Spray buff & polish - \$17.50	FP20RED
	Soft polish - \$17.50	FP20WHITE

TWISTER PADS

Clean and polish floors without using chemicals. Recommended for use on machines up to 3000rpm. Available in 17" and 20" sizes and the following grits: 400, 800, 1500 and 3000.

17" 400R - \$88.90
 17" 800W, 1500Y, 3000G - \$78.50
 20" 400R - \$103.00
 20" 800W, 1500Y, 3000G - \$89.50
